

MURAD

THE TURKISH CIGARETTE

REMEMBER—Turkish tobacco is the world's most famous tobacco for cigarettes

Ever meet a salesman who was proud of his goods?

Who knew them, believed in them, delighted in selling them?

Purely their supreme merit. That's how we feel about

MURAD

THE Turkish Cigarette

Because we know it is the supreme Turkish 15 Cent cigarette value in the whole world.

Made of tobacco never used by any other manufacturer in a cigarette selling for less than 25 cents.

CABOT

Napoleon B. Rogers, Who Died April 22, Descended from Pioneer Settlers.

Napoleon B. Rogers passed away quite suddenly at his home Saturday, April 22, at the advanced age of 82 years, eight months. He was born Aug. 9, 1833, in East Cabot, in a log house on the farm where Silas Houghton now resides, and was one of a family of four children of George and Sally Goss Rogers, who were among the pioneer settlers of Cabot.

He obtained his education in the common schools of this town and had always been proud to show to the boys a silver quarter which he won as a medal of honor in his spelling class when a boy. On June 24, 1858, he was united in marriage with Miss Lydia Lyford, daughter of Thomas and Hannah Lyford, remaining on the old home farm until 1871, when he moved with his family to this village. Being possessed with an ambitious disposition, he proved to be an industrious and successful farmer, choosing to wear out rather than rust out. The day before his death he performed a little labor in his front yard. Since 1896 he had become widely known as a dealer in livestock.

But few, if any, of our townspeople can relate as many reminiscences of the past 75 years as Mr. Rogers could, his excellent memory remaining clear to the last. Only a few days before his death he spent an hour with a near neighbor, who was one of his schoolmates, referring to many incidents of those early days. In 1899 he was bereft of his companion, for whom he has since expressed his devotion by growing flowers to place upon her grave. Three children came to brighten their home, two sons and a daughter, Katie, who was spared to them only six months. The eldest son, Beauman G., resides in this village, the younger, Verner, in West Hartford, Conn.

Nearly a year ago Mr. Rogers showed signs of failing health and had since gradually declined, followed by a stroke of paralysis, from which he failed to rally. He leaves two sisters, Mrs. Josephine Rogers Hall, living in Barton, who is past her four score years, and Miss Sarah Rogers of this town, who has been an invalid for many years. Both were unable to attend the funeral. Five grandchildren also survive him, Earl, Roger, of the firm of Rogers & Currier, Earl, 22, Mrs. William Allen, Pliny and Lillian Rogers, who reside in Hartford, Conn. Mr. Rogers was a charter member of Green Mountain lodge, No. 68, F. and A. M., having joined a lodge in Montpelier two years previous.

Funeral services were held at his late home Monday afternoon, Rev. M. W. Hale, pastor of the Congregational church, officiating. Brother Masons attended in a body. His remains were laid to rest in the family lot in Cabot cemetery. A pillow from the lodge and Easter lilies from the family were but mute tokens of affection.

Mr. and Mrs. Arnold Dow went to Northfield, Mass., Tuesday to commence their summer's work.

Harry Pike and son, Rudolph, of Walden were in town Sunday to see J. G. Pike, who is slowly convalescing.

Arthur Rogers is in Ryegate, working on state road.

Next Friday, May 5, the postponed business meeting of the Congregational church will be held in the vestry at 10:30 a. m. Deacons are to be elected and other important business transacted. All members of church and society are requested to be present. Bring your lunch and spend a social hour at noon. Coffee will be furnished.

A welcoming reception was given to

What to Do for Itching Skins

There is usually immediate relief for skin itching, burning and disfigured by eczema, ringworm, or similar tormenting skin-trouble, in a warm bath with resinol soap and a simple application of resinol ointment. The soothing, healing resinol medication stops itching at once, and soon clears away all trace of eruption, even in severe and stubborn cases, unless the trouble is due to some serious internal disorder. You need never hesitate to use resinol. It is a doctor's prescription that has been used by other physicians for twenty years in the treatment of skin affections. It contains absolutely nothing that could injure the tenderest skin. Every druggist sells resinol ointment and resinol soap. Resinol Soap soothes tender skins and helps to make poor complexions clear, fresh and velvety, because it contains this resinol prescription.

He assumed the management on Monday, May 1, Mr. and Mrs. Slayton will be in town for the most part of the month, but the first of June will go to Hartford, where they have leased the White River tavern. The house is well furnished and equipped for the business, and Mr. and Mrs. Slayton will seek summer patronage, having taken a house with forty rooms.

Mrs. Willard Avery of Springfield, Mass., arrived here Tuesday and will be with Mrs. C. R. Steele and Mrs. J. H. Williams for a time while receiving treatment of Dr. J. P. Gifford.

J. D. Mitchell, who has been very ill, is now rational and very comfortable, and it is thought he will recover his health soon. Mrs. Mitchell's sister, Mrs. Vaughan, of Bridgewater, is here for a few days to assist.

United States Tread Chain Tires

Added Mileage in these Two Rugged Chains

By the time the two rugged anti-skid chains of rubber running 'round the tread are finally worn down, you have had your mileage in full and liberal measure.

Then you have the equivalent of a good, plain tread tire still to wear out—for your added mileage.

That is why 'Chain' Treads give the low mileage cost for which they are famous.

Besides—'Chain' Treads are the most efficient, moderate-priced anti-skids in the world.

The 'Chain' is one of the five United States 'Balanced' Tires which meet every motoring condition of price and use.

Ask the nearest United States Tire Dealer for your copy of the booklet, "Judging Tires," which tells how to choose the particular tire to suit your needs.

Why Paint for Looks Alone?

Many property-owners paint for beauty's sake alone. Wise ones paint to preserve as well. The latter invariably use lead-and-oil paint, the kind that is made of

Dutch Boy Atlantic White Lead

and pure linseed oil, mixed on the job, by the painter, to exactly meet surface and weather conditions. Paint made this way of these prime materials neither cracks nor scales. It gives the utmost in appearance and protection, at the lowest cost per year.

Proposed New Tannery Buildings Exempted from Taxation, 175 to 4.

Last Monday the town voted, 175 to 4, to exempt the proposed new tannery buildings from taxation for a period of 10 years, continuing its liberal policy toward substantial industries. A Lee Cady moved that the exemption be granted and S. M. Washburn seconded the motion. The tannery owners appreciate the vote of confidence.

Last Monday evening C. E. Cladin badly wrenched his right forearm and narrowly escaped fractures when cranking his automobile in front of the Central Vermont railway station.

Major and Mrs. Wallace Batchelder returned last Saturday, after an absence of four weeks in New York and Washington. Next Monday they return to New York and later go to Washington for some weeks. About July 1 they will return, as the major is to be on duty at the Norwich university training camp. Last Thursday evening Major Batchelder gave a dinner at the Union League club, New York City, to the first colonel under whom he served 16 years ago, Major General Leonard Wood, and his old comrades of the Rough Riders. General Wood, Major Batchelder, Colonel Ira L. Reeves, president of Norwich university, and Lieutenant Ralph M. Parker, U. S. A., commandant of Norwich university, were after-dinner speakers.

Mrs. F. B. Burnett of Northampton, Mass., was here recently to visit relatives.

A. L. Denmore has built an extensive piazza on the Regan house.
